Mr Robert Harvey  
25 Wells St.  
Cambridge Md.

Dear Harvey:

I cannot understand you leaving Newark without saying anything to me about not intending to return. When I first heard you had gone, I thought it was the same as before, you were going home for the few days the team was not playing. As you have not returned up to now, I am wondering if something happened, or if you did not intend to return when you left.

I think in fairness to me, you should have talked it over with me. You let me order the truss for you, and I will have to pay for it. It will not be any use to me, and you should be glad to get it. Your condition will not get any better if you do not take some care of it.

The team is away this week end, playing in Harrisburg. They do not play anymore league ball until next Sunday here in Newark. We then go south to Richmond, Norfolk, Portsmouth, and Washington DC on July 4th, and back home the 5th. I would like to have you with us on that trip.

Your truss is ready now, and if you are not going to come back and want it anyway, send me the money for it, and I will send it to you right away. I will be looking for an answer from you one way or the other as soon as possible. I hope you did not find some trouble that kept you.

Very Truly Yours
